● WORK EXPERIENCE

01/01/2024 – CURRENT Podgorica, Montenegro

CEO AND SOFTWARE ENGINEER STARKO ONE

Founder of a startup that has won an initial investment from the Fund for Innovations of Montenegro for early-stage startups. We aim to help customers scale and simplify their back-office tasks.

01/04/2023 – 01/12/2023 Ljubljana, Slovenia

CEO AND SOFTWARE ENGINEER DDD INVOICES - E-INVOICES.ONLINE

As the CEO of e-invoices online, I have the privilege of leading a dynamic team dedicated to providing a comprehensive invoicing solution on the web. Our platform enables clients to legally issue invoices in multiple countries, including Montenegro, Serbia, Slovenia, and Poland.

My role is to drive the strategic vision of our company and ensure that our clients receive the highest level of service and support. With my experience and expertise, I am committed to delivering innovative solutions that empower our clients to streamline their invoicing processes and achieve their financial goals.

At e-invoices online, we pride ourselves on being at the forefront of the invoicing industry. As CEO, I am passionate about cultivating a culture of excellence and fostering a collaborative team environment. Together, we will continue to innovate and deliver the most reliable, secure, and user-friendly invoicing platform on the market.

01/12/2022 – 01/04/2023 Ljubljana, Slovenia

BUSINESS DEVELOPER DDD INVOICES

My main role was to prepare and execute a proper business strategy in order to grow our product and spread it across the European market.

01/11/2022 – 01/01/2023 Ljubljana, Slovenia

FULL-STACK SOFTWARE ENGINEER DDD INVOICES

Developed user-friendly web applications using React, Next.js, Node.js, Express.js, PostgreSQL, HTML, and CSS.

Collaborated with team members to ensure seamless integration of frontend and backend components. Stay updated on emerging technologies and best practices to enhance application functionality and user experience.

My main role was to develop an online invoicing solution that ended up being used by more than 10 000 customers in 6 countries

01/07/2022 – 01/10/2022 Podgorica, Montenegro

PROJECT COORDINATOR DIGITAL DEN HUB

My role was to create a program to help new startups achieve success and help entrepreneurs solve problems, typically associated with starting a startup by providing technology support, funding, mentoring, and training. I managed to help a large number of startups kick off their journey, both through conceptualization and technical execution.

01/02/2021 – 01/09/2022 Podgorica, Montenegro

FOUNDER AND SOFTWARE ENGINEER WITHME D.O.O

WithMe was a roommate finder platform and an application that marked the beginning of my startup career. We managed to grow it to 200 users and win over 10k euros in different startup competitions, among which are SparkMe, and Generation Unlimited Imagined Ventures. My priority roles were to build and design a web application and create a sustainable go-to market strategy.

01/05/2020 – 01/06/2022 Podgorica, Montenegro

STRATEGY MANAGER CIVIC MOVEMENT URA

As a highlight of my role in this position we managed to gain great success, as a small player in the political landscape, we ended up leading the country for the years to come. My role was detrimental as I was leading the main strategy for youth involvement in the political campaign (this included both organizing, making the strategy and leading young individuals to execute this strategy)
